COMPLETE REVERSE SIDE

Section #1

In the space below, identify any other elements you believe should enhance your grade. Think about...
Did you do anything especially creative with your lyrics?
Did you do anything special for your performance?

Section #2

No rubric is perfect. On the other side of this rubric, you have a total score of _____.
If you think this grade is accurate and appropriately reflects the work you did on this project, just confirm that in the box below. However, if you think your total score is too low (or, too high) for the song, explain below why you think the score is too low AND include your new proposed score for this project.

After you have completed the front, and sections 1 and 2 above, please submit this form.
